### Program Expectations and Confidentiality Agreement

I understand that ***NextGen Peer Group*** is a group learning experience based on Adult Learning Theory. Each group member is responsible for contributing to a safe and positive setting for learning within the group, for identifying and pursuing his or her own learning goals, and for seeking the support necessary to move forward.

I hereby agree to the following:

1. A commitment of sufficient time to prepare for and attend meetings. I understand that my participation at meetings is important to the success of my group, and that missing two consecutive meetings or three overall will result in a conversation with the moderator and may result in being dropped from the group.
2. A commitment to full confidentiality. I understand that, in order to maintain a level of trust and continuity, it is essential that all meetings and discussions within the group remain strictly confidential. In addition, I understand that absolutely none of the confidential information shared may be used to cause competitive injury or disadvantage to a participant.
3. A commitment to refrain from sales activities. I understand that ***NextGen Peer Group*** is not a platform for selling my products or services or generating sales leads.

This agreement, made \_\_\_\_\_, 20\_\_\_\_, between \_\_\_\_\_ and the Family Business Alliance, is a commitment of time, to full confidentiality, and to refrain from any sales activity as a member of a ***NextGen Peer Group***.
